Dear Friends:

It is a distinct pleasure to again be associated with the Tennessee Shorthorn - Polled Shorthorn Association in the management of the Annual Tennessee National Show & Sale. This sale has been one of the strong events for the breed in the Southeast. Again this year the consignors are presenting top quality individuals from their herds. The bull offering contains several herd sire prospects and the interested commercial man will find big, strong bulls that are ready for immediate service. The female offering includes females bred to the industry's leading sires and also a group of junior heifers that show the potential to be winners next year.

Plan to arrive Friday afternoon to view the Show & Sale offering and then join the members of the Tennessee Association for their Annual Banquet to be held at the Sale Headquarters.

If we can be of any service to you, please do not hesitate to contact our office. I look forward to seeing you in Nashville.

Sincerely,

CAGWIN CATTLE SERVICES, INC.
